Subject → complaint about lawless activities
on outside school campus

Honourable sir,

with respectfully I want to draw
your kind attention toward many
lawless activities going on outside
our school campus. our school
is situated in Neinital, Uttarakashi
Uttarakhand. when our school
over than some antisocial elements
came outside the school and
sat in the park. from the
park they tease the girls
of school and abuse him.
No day passess without their
bad activity. if anyone talk
them they get arguments and
they beat him. Anti social
element takes the drugs, wine
cigarette to sat in the park

openly. the impact of this very bad habit on students. we had complain our school administration but they are unable to control this. then we had complain the local police station they are also failed to control this. the bad activities of these social element are increasing day by day. No one could pay attention them. they are free due to which students are unable to concentrate on your education.

So, I request you please solve this problem to get rid of this problem.

I hope you will look into this matter we shall be highly obliged to act of your kindness.

Thanking you
yours faithfully

NEED AND VALUE OF OUTDOOR GAMES

"playing games is the one step to success"

Outdoor games plays important role in our life. which games ^{we} play outside of the home called the outside or outdoor games. Some outdoor games are like - Badminton, Cricket, Football, Table tennis, Kabaddi, Kho-Kho, Running, Long jump, High jump, etc. these games are outdoor games. through playing the outdoor games we can stay fit. it keep us to fit. games keep us healthy and fit. through the playing outdoor games we learnt brotherhood, loveliness manner, spirit of leadership, togetherness, unity kindness, compassions etc. outdoor games create the interest, it is helpful in our education through this we can concentrate in our education. Now days 'it is a means of earning' if you are better and talented

any games. you can earn a lot of money. we can play for our country. but it is a dilemma that children are most likely the "mobile phone games" they are attractive to the television and computer

person who like outdoor games

person who like video games

forwarding to success

they are losing their childhood and making the lazy own selves

children likes the video games more then outdoor games.

so we could understand the value of outdoor games in our life and play a should outdoor games in limited.
