Dated the 4th November, 2015

Secretaries State Education Board, of all States.

Subject: Implementation of Central Sector Scheme of Scholarship for College and University Students through National e-Scholarship Portal.

Sir/Madam,

In continuation of this Department's letter of even No. 1-44/2015-NS.1 dated 8th October, 2015 (Copy enclosed) regarding extension of the cut-off date for online application up to 31st October, 2015.

2. To enable the eligible students to apply on National e Scholarship portal, it is informed that the last date for online application for Central Sector Scheme of Scholarship for College and University Students through National e-Scholarship Portal is further **extended up to 30th November, 2015 which would be the FINAL EXTENSION.**

3. The progress of online application by the students has been very slow as still the students are not aware about the initiative. In this regard, the Board is again requested to give advertisement in the widely circulated newspapers of their State and also give a public notice in this regard on their Portal. Suitable instructions may also be given to all the Colleges/Universities/Institutes in your State, to get themselves registered on the National e Scholarship Portal, if not already done and validate the applications of such students received online on priority basis. **The students may be directed NOT to send the copies of application in physical form to this Department.**

4. Your initiative and encouragement in bringing awareness amongst the students to apply online would go a long way in making the Digital India Programme a success.

5. This may be accorded 'Top Priority'.

Yours faithfully,

[Manoj Kumar Kejrewal]
Director (Scholarships)
